

Logan's children are happy, healthy and thriving for generations to come

Outcomes & Impact

Leading to...

Improved holistic wellbeing for children and their families in Logan

Outcomes and impact in both:

Individual instances of change

Population level impact

Children 0-8 are:

Loved & safe

Learning

Healthy

Have material basics

Strong sense of culture & identity

Systems Change

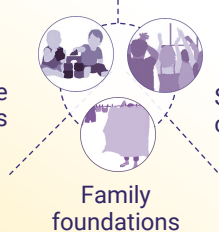

We can expect...

Shared decision making and action aligned to the Logan Together roadmap

Systems improvement in:

Effective services

Strong communities

Family foundations

Stronger:

Policies, Practices, Resource flows

Ways of working

If we...

Implement Logan Together's values of:

First Nations First

Children at the Heart

Community Led

Equity

Collective impact approach

Better ways of working across:

Sectors and the community

Changes in:

Relationships & connections
Power dynamics

Mental models

Our Theory of Change

The changes we will see

What we will measure
