Helping grow Logan Together to embrace First Nations Peoples First through:

- Custodianship of the Equity Agreement
- Offering living knowledge of how Indigenous community development works, with respect and reciprocity
- Leadership on Closing the Gap strategies
- Mentorship in shifting the balance of power and responsibility to community
- Cultural and community leadership in how to connect, respect cultural autonomy and value relationships.
- Grounded community and collective Elder-led Indigenous futures thinking and sharing.
- Commitment to the partnership – Co-chairing the Leadership Table, Board Membership
- Living connection and commitment to our Logan community
- Leadership in data sovereignty
